

Mayor Steinberg's Recommendations

To *ensure that Hampstead keeps moving forward* in the direction that I have led us, the last four years, we need the best possible people on council.

It is crucial that *honest, hard working and dedicated* individuals of the highest integrity are elected.

I do not think that slates are a good idea in small towns and the candidates that I am recommending are *independent, running on their own platforms*.

This will guarantee that **ALL** segments of our community are well represented.
